Abstract

This is a sample of the NationalMap Dataset, for an area including parts of Tauranga City and Western Bay of Plenty District. To obtain this data for the whole country it is available for ongoing licensed access please visit:

<https://www.nationalmap.co.nz/contact-us> Turn Restrictions accompany the NationalMap Enhanced Road Network to provide instructions to routing engines on where turns are prohibited. This line representation of turn restrictions is optimised for ESRI routing systems

Purpose

The NationalMap Enhanced Roads Network is a comprehensive representation of the formed and connected road network. This contains additional routing attributes such as speed, hierarchy and surface and RAMM data.
