Abstract

Meshblock level Information relating to the families living in the household, or the composition of the household, such as household income, family income, how many people live in the house, vehicles at the property and home ownership. NB This data layer should be used in conjunction with The Visual Census User Guide: <https://data.nationalmap.co.nz/document/651-visualcensus2013-user-guide/>

Purpose

This layer has been created from 2013 Census data joined to Meshblocks. NB for ESRI users this data should not be downloaded as shapefile as attribute names will be truncated. Please ensure you download it in geodatabase format
